Update from the Supervisor

Hope all are surviving the heat and that you have come to the Park to enjoy the pool. Look for the next opportunity for your kids to enjoy a themed party at the pool that I hear is being planned. Our last was a big success thanks to Loren Sayers our Pool Director, and the great guards we have working this year.

I have mentioned in previous newsletters that the Rec Board is working on an event to celebrate the new basketball courts. Plans are all but finalized but I can tell you that a 3 on 3 tournament will be held at the Town on September 13th for youth ages 8-12 years old. More to come on fees and registration.

There is still a couple more opportunities to enjoy Music in the Park on Wednesdays at 6pm. In August we will have Al Pacete and Lil'Rowdy on the 6th and 13th respectively. It is great fun and the bands have been really great. The Snack Shack is open and kids can play while parents enjoy the music. It's a wonderful free activity for everyone.

I wish to remind all that Town meetings are open to the public and we welcome Residents concerns. It is more productive to call us at the Town or a Board member if you have specific questions that may require some discussion. Periodically there are concerns voiced on social media that are often based on rumor or misunderstanding of processes that Municipalities are held to. We always welcome the opportunity to speak with Residents so they may be properly informed.

Budget planning continues with the Town Board and our Budget Officer Mary Joan Glanton. As was the case last year, costs are increasing especially as it relates to insurance and equipment. We continue to work hard to balance the needs of the departments to continue to provide safety and a pleasant quality of life for our Residents, while respecting the fiduciary responsibility we hold to the taxpayers.

Pirozzolo Park is a wonderful place with many activities for all ages. It takes EVERYONE to keep it running smoothly and safe. West Elmira Police work hard at keeping it safe, the Grounds Keeper works hard at making sure the park is clean for all.

The past few years we have had several complaints and have seen vandalism take place in the park. We are able to view these incidents thru the security cameras throughout the park. We are asking anyone that frequents the park to please keep a look out and call the non emergency line at 607-735-8600 if they see anything.

When vandalism occurs, it is the tax payers dollars that go into the clean up.

Tis the season for lawn mowing

Did you know there's one thing you may be doing while mowing the yard
that's actually illegal in New York State?

As mowers are being brought out of winter storage, you need to keep this in mind to avoid a fine.

Blowing your grass clipping in the road is against the law in New York. You may not only be fined but you
could also get sued if the clippings cause an accident.

Section 1219 of the [New York Vehicle and Traffic Law](#) prohibits grass clippings and other debris on streets
and highways.

No person shall throw or deposit upon any highway any glass bottle, glass, nails, tacks, wire, cans, snow,
grass clippings or any other substance likely to injure any person, animal, or vehicle upon such
highway.

Grass clippings can reduce traction and cause a motorcycle driver to
lose control.

If there's an accident, you're responsible.
**ALSO be kind to the many walkers and keep
the sidewalks clean**

The West Elmira Police
Department are looking for
Substitutes to fill in as
crossing guards. Anyone
interested is encouraged to
stop in the Clerk's Office and
fill out an application.
