**Update from the Supervisor**

I hope that all had a lovely holiday season.

I wish to start my monthly message by paying tribute to Charlie Lechliter. Charlie passed away on December 31<sup>st</sup>. His contributions to the Town have been significant and long's standing. He was a member of the Rec Board and handled operational duties for Baseball, Softball, and Music in the Park for many years. I did not have a long work-history with Charlie but heard wonderful things about him upon my arrival to my position as the Town Supervisor. I found him to be just as dedicated and committed as I was told he was. We will all miss him very much. The best tribute to him is to ensure that his legacy of strong rec programming for the youth of the County and summer music for families continues. Heartfelt sympathies go out to Charlie's wife Lisa and family.

Welcome to new Board member Jack LaValley who was sworn in on January 2<sup>nd</sup>. Jack is well known to the Town mainly through his decades of work with the West Elmira Fire Department. He takes the seat of outgoing Board member Ron Allison, who will be big shoes to fill. Thank you Ron, for your 4 decades worth of contributions to the Town Rec Board and the Town Board. He will be missed by us all.

Please be aware of the obligation to clear your sidewalks of snow within 24 hours of the last snowfall, or you risk being cited. Like so many of the Town's ordinances, they are to ensure safety for Residents. We have many folks attempting to walk through the winter months, and attempting to navigate the sidewalks. I am always concerned when I see a walker needing to make a decision between the risk walking on the side of the street on Church or Water or the risk of falling on a sidewalk that has not been cleared. If you cannot have your walk cleared; it is important that you use salt, sand, or even ash that can make the walk less slippery.

Stay warm and safe all.

Supervisor Ann M Gerould
